Wild Rock Golf Clubhouse

Woodland Lodge Receptions, Outdoor Ceremonies & Championship Golf Course

The clubhouse at Wild Rock was recognized by Golf Inc. magazine with a 2nd place national design award for "Best New Clubhouse" the year it opened. The designers' interpretation of "rustic simplicity" is most evident in the use of massive log beams, the vaulted ceilings and the framed views. The fieldstone fireplace reaches to the ceiling adding warmth and ambiance to your special day.

The banquet room at Wild Rock Golf Club seats up to 160 guests in a reception setting. There are two decks, and a covered patio where your guests can mingle and also a distinctive octagon bar that looks out on the gorgeous practice green. The scenery is stunning year round to provide captivating natural backdrops for photo ops.
