### **New Deli To Go Line Unveiled at Wilderness Hotel & Golf Resort** **Waterpark Quick Service Areas**

WISCONSIN DELLS, Wis. — When the management team at America's largest waterpark resort, the Wilderness Hotel & Golf Resort located in Wisconsin Dells, reviewed their guest comment cards after their busy summer season, they consistently saw their guests were looking for healthier quick foods.

So management asked their talented team of chefs to develop a new line of healthy "Deli To Go" items that could be available for purchase at the quick-service dining areas inside the resort's WaterDome, Klondike Kavern, Wild West and Lake Wilderness waterparks.

The team rose to the challenge and created not only nutritious but delicious "Deli To Go" options using the freshest seasonal ingredients.

According to Eric Borota, Food & Beverage Manager for the resort, "Since unveiling the items in December, and writing about them on our resort blog and Facebook page, we have heard nothing but positive comments. Our guests are thrilled that we took their requests for healthier menu options seriously, and that our fantastic chefs created such great options for them!"

Guest Nicole Lachinski Maves, confirms Borota's comments. "It was really nice to see healthier food options this year. My 9 and 4 year-old loved the Harvest Turkey Sandwich and fresh fruit. They also liked that there was milk and juice as an option to drink since neither would choose soda for their first choice!"

Current winter menu items include:

- A **Wisconsin Apple Salad** complemented with Grilled Chicken, Dried Apples and Wisconsin Cranberries, Smoked Gouda Cheese and Walnuts
- A **Cobb Salad** featuring Grilled Chicken, Smoked Bacon, Blue Cheese, Hard-Boiled Egg and Ripe Tomatoes
- A **Ham and Wisconsin White Cheddar Wrap** complemented with an Herb Cheese Spread and Fresh Baby Spinach served on a Spinach Tortilla
- A **Mediterranean Wrap** consisting of Roasted Garlic Hummus, a Spring Lettuce Mix, Feta Cheese, Sundried Tomatoes, Basil, Black Olives and Fresh Cucumbers served on a Delicious Tomato Tortilla
- A **Roast Beef Sandwich** featuring a Zesty Chipotle Mayo served on a Fresh Asiago Focaccia Roll
- A **Harvest Turkey Sandwich** complemented by a Cranberry Dijon Mustard, Lettuce and Swiss Cheese served on fresh Wheatberry Bread

There are also 4 new snack cup options:

- Pita Chips with a Roasted Garlic Hummus
- Seasonal Fresh Mixed Fruit with Yogurt Dipping Sauce
- Seasonal Fresh Vegetables with Dill Dipping Sauce
- Crispy Tortilla Chips and Salsa Cup

According to Borota, the team of chefs will be switching menu items seasonally to guarantee that only the freshest ingredients are used.

“In order to build brand loyalty, it is imperative for resort management to listen to what their guests are saying, and proactively address them. To our health conscious guests this little change meant the world to them,” add Borota.
