Wilderness Resort Undergoing Renovations and Adding Attractions in 2020

WISCONSIN DELLS, Wis. — Wilderness Resort officials announced today that they are making some exciting changes in 2020. Here's a taste of what guests can expect:

Camp Social

Camp Social, which opened at the start of 2020, is the first food hall of its kind in Wisconsin Dells. It includes: **The Burger Bar**, a full-service bar serving up a

small menu of great burgers; the **Coffee Canteen**, serving locally-sourced Bella Goose coffee, teas, smoothies, & doughnuts; a hearty **Breakfast Buffet**, serving everything from French toast to omelets and more; an all you can eat pizza and salad bar **Lunch Buffet**; a **Dinner Buffet**, serving all you can eat favorites like mac 'n cheese, paninis, pizza, salads

and more; and **The Candy Cabin**, where guests can satisfy their sweet tooth with unique candy and ice cream innovations.

This spring the resort will also be adding to Camp Social a campy rec room area where patrons can relax while playing games, watching sports on the big screen, or even sitting around a cozy fire to swap stories. In addition, pop-up carts will be selling Wisconsin novelties.

Take Flight

Take Flight is an aerial adventure ride, which will be opening in summer 2020. It will allow 60 participants at a time to experience soaring over some of

the most popular landmarks and famous destinations in the United States before coming closer to home to get a birds-eye view of Wisconsin Dells. The new attraction will be located off of the New Frontier lobby and will be open to the public.

Lost Cabin Laser Tag Arena

The Lost Cabin Laser Tag arena will be located right next to the Timberland Playhouse in the Wild West region of the hotel. The 3,000+ square foot arena will allow up to 20 players at a time to battle each other using state-of-the-art laser tag equipment. The stimulating battlefield will feature a fog machine, interactive targets and a helicopter hovering overhead. It is set to open in March.

The Twister Room Escape

The Twister Room Escape will be based on the 1974 Super Outbreak, which was the second largest tornado outbreak on record for a single 24-hour period, and the most violent tornado outbreak ever recorded with 30 F4/F5 tornadoes confirmed. Participants will have only 60 precious minutes to find and retrieve valuable items from the massive tornado's wreckage, and to get safely to shelter before the second twister hits. The new room will be open to the public and will be completed in time for Spring Break 2020.

New Frontier Lobby

The New Frontier lobby is being completely re-imagined. It will feature three-story cathedral ceilings and floor-to-ceiling windows on three sides of the

space. Cozy seating, a convenience store, three party rooms, additional check in stations and a glass elevator that will take guests up to Camp Social will also be part of the space.

On the exterior, guests will be able to enjoy a new registration drive-up with three dedicated lanes for guest traffic and another lane for Wilderness shuttles. There

will also be a large patio area complete with fire pits and patio seating for lounging with friends and family. It will be completed in Spring 2020.
