Mesmerica Air NOW PLAYING FOR A LIMITED TIME at Take Flight Theater

WISCONSIN DELLS, Wis. Take Flight theater is proud to be adding a new film to its lineup for a limited time. **Mesmerica Air** by James Hood allows guests to take a journey inside their minds, to engage their senses in a miraculous alchemy of sound and light.

According to Chris Ebben, Attractions Director for Wilderness Resort, “This family-friendly film is a mind-blowing 360-degree immersive, music and art experience designed to relieve stress. It leaves all who see it speechless, full of love and life.

“As guests stare at Take Flight’s enormous 65’ wide x 48’ tall domed screen they are taken on a fantastic journey of awe-inspiring imaginary landscapes that no two guests see it the same way, yet all who leave the show are smiling. It is so unique.”

The Take Flight Theater has 60 motion-based seats* that roll, dip, and glide. Once participants are buckled into their seats, the doors to the three-story theater swiftly rise and the seats surge forward, leaving guests’ feet dangling as they stare at an enormous domed movie screen. Artificial scents, wind and mist add to the sensation of flying. *Please note, seating may be limited due to social distancing requirements as a result of COVID-19 precautions.
